AGRICULTURE - Pests and diseases - South Kanara District - Outbreak of paddy pest in Hosdrug Sub Taluk - Report submitted.

The District Agricultural Officer, South Kanara reports that there is an outbreak of paddy pest in the villages of Hosdrug and Kanhangad in Hosdrug Sub Taluk. An army of worms or spodoptera mauritia is reported to have affected the paddy seedlings in the early sown dry areas. The area affected is estimated at about 150 acres in the villages of Hosdrug and Kanhangad and the pest is reported to be spreading to the villages of Udinoor and Trikarpur. Control measures have been undertaken by the Agricultural Department and an area of about 25 acres has been sprayed and dusted. The Dist: Agricultural Officer reports that this pest spreads very quickly from fields to fields and village to village if not controlled in the very begining and recommends that all the villages in Hosdrug sub taluk may be declared as pest affected as pesticides can be sold at 50% of the sale price of the area declared as a pest affected area according to the orders contained in G.O.Ms.No.425 (Agriculture (F.P.) dated 20-12-53. His report shows that the ryots are unwilling to purchase the pesticides, and that they want the control measures to be undertaken free of charges. It has also been reported that there are really poor ryots in the area, who are not able to purchase the pesticides even at 50%.

According to section 20 of the Madras Agricultural Pests and Diseases Act 1919 a notification under section 3(1) of the Act has to be published by the State Government in the official Gazette. I therefore request that a notification under section 3(1) of the Madras Agricultural and pests Act

1919 may be got published in the next issue of the Fort St.George Gazette. Copies of the notification may also be sent to me for publication the affected area. A draft of the notification to be published is enclosed.

Yours faithfully

For Collector.

Enclosure

Copy to the Secretary to the Board of Revenue, Land Revenue, Chepauk Madras-5.

DRAFT NOTIFICATION

****

~~AND~~ In section 3(1) of the Madras Agricultural Pests and Diseases Act, 1919 the ~~State~~ Government of Madras hereby declare, that the pest which has effected the paddy seedlings in the sown dry areas of Hosdrug and Kanhangad villages is an insect pes All the preventive and remedial measures as may be necessary in respect of the pest prescribed by the District Agricultural Officer, South Kanara will be operation in the pest affected area. Notifications.

I.

In exercise of the powers conferred by section 3(1) (a) of the Madras Agricultural Pests and Diseases Act, 1919. (Madras Act III of 1919), ~~His Excellency~~ the Governor of Madras hereby declares that the Army worm of paddy otherwise known as Paddy Swarming Caterpillar (Spodoptera Mauritia) or locally known as ~~Karakothi~~ / SYNNIA HULU / is an insect pest of paddy crop (Oryza sativa) in all stages.

II.

In order to eradicate ~~and~~ or prevent the ~~spread~~ introduction or reappearance of the insect pest aforesaid, ~~His Excellency~~ the Governor of Madras hereby directs, under section 3(1) (b) and (c) of the said Act that with effect on and from the date ~~of publication~~ on which ~~of~~ the Notification ~~in the Fort St. George Gazette~~ comes into force, the following remedial measures should be taken in respect of crops of paddy attacked by the said insect pest in the entire ~~Karkala~~ Hosdrug Sub-Taluk in South Kanara District:—

(1) The paddy crops in that area shall be dusted with 10% Benzene Hexachloride ~~power~~ powder (Hexidol or Gammaxene) and spraying wettable D.D.T.

(2) Wherever paddy is grown in that area, it shall be treated according to the directions of the inspecting officers of the Agricultural Department mentioned in Notification No.IV ~~below~~ supra.

(3) Nothing contained in this Notification shall apply to the plants of paddy grown in the area by the Agricultural Department for experimental purposes.

This Notification shall remain in force upto and including the ~~end~~ 31st of December 1954.

III.

Under Section 3(2) of the ~~aforesaid, His Excellency~~ said Act the Governor of Madras hereby directs that Notification No.II supra shall be proclaimed in the local area to which it applies by beat of tom tom and that copies of the Notification shall be posted in the village chavadies and other prominent places in the said local area before the date on which the Notification will come into force therein.

IV.

For the purpose of carrying out the duties prescribed in sections 5, 5A, 6 and 7 of the ~~aforesaid~~ Act in connection with the enforcement of Notification No.II supra, ~~His Excellency~~ the Governor of Madras hereby appoints the following as inspecting officers under section 19 of the said Act:—

(1) Revenue Inspectors, Village Headmen and Village Accountants in Hosdrug Taluk;

(2) Agricultural Demonstrators in Hosdrug taluk; and

(3) Plant Protection Assistants (Entomology and Mycology) Mangalore.

V.

Under section 6(2) of the said Act ~~aforesaid, His Excellency~~ the Governor of Madras hereby directs that appeals under that section shall be preferred to the Tahsildar having jurisdiction over the village concerned.
